# Armored Ford F-350 Crew Cab

When the greatest amount of security is needed in the roughest locations, the armored Ford F-350 crew cab offers the best in utility vehicles. With a Power Stroke Turbo Diesel V8 engine and upgraded suspension, the F-350 is strong, reliable, and safe. The front fender is armored to protect the sides of the engine from being damaged, while the crew cab, which can seat up to six passengers, is entirely armored to keep your crew safe. The vehicle can be equipped with a troop or tactical module which can be reused on other F-350 base units. Interior options include two bench seats, gun ports, and a sliding escape hatch in the roof.
