# Armored Chevrolet Suburban

One of the most popular armored vehicles in use by several government agencies, the Chevrolet Suburban is available in various handgun and assault rifle protection levels. It is ideally suited for use anywhere from city driving to rugged terrain. The Suburban's large capacity, roomy interior, and outstanding performance make it an ideal multi-purpose armored passenger vehicle. We can integrate a wide range of optional equipment and modifications to assure that your armored vehicle meets your precise needs and security requirements. The armored Suburban is available in VIP/luxury trim as well as a more functional, mission-specific configuration.
